Dear WSCFF Member,

The insurance programs being offered to you today are made available on a voluntary basis through the cooperation of the WSCFF and American Income Life Insurance Company, a 100% union label company with a long-standing history of serving unions and their members.

AIL's supplemental benefits are not in competition with any group benefits through your workplace/ employer and can complement any insurance policies you may already have. If you choose to take advantage of any insurance programs offered through AIL, your benefit program is permanent and portable throughout your lifetime.

AIL's supplemental benefits include automatic built-in features to help members during hard times, such as a strike and lay-off waiver of premium benefit.

If you qualify, your coverage lasts a lifetime and is under your independent control. Once the program has been explained to you, we're sure you will agree with the many participating members that it's one of the most valuable programs you've ever seen. American Income Life provides insurance services to millions of policyholders throughout the United States, Canada, and New Zealand and has over \$50 Billion of life insurance in force.

There are several benefits available. Please take a few minutes to listen to the AIL representative who is visiting you. If they can help you with your needs in this area, please take advantage today. We would like your feedback so please take a minute to complete the Report Form. This information helps us serve you more effectively.
